**Re: NH Site Evaluation Committee Docket No. 2015-02:
Application of Antrim Wind Energy, LLC for a Certificate of Site and Facility for
Construction of a Wind Project in Antrim New Hampshire**

Dear Ms. Monroe:

We received an additional Petition to Intervene today, January 26, 2016 from Mr. Joshua Buco. This Petition was received after the Applicant's deadline to file responses to Petitions to Intervene had passed. The Applicant does not object to Mr. Buco's Petition, but requests that Mr. Buco be grouped with all other non-abutting property owners. The Applicant submits this letter as an amendment to the Applicant's Response to Certain Petitions to Intervene, filed on January 25, 2016, to include Mr. Buco in the proposed non-abutting intervenor group.

We have provided members of the service list with electronic copies of this amendment pending addition of the documents to the Committee's website.

Thank you for your assistance in this matter. Please contact me with any questions.

Very truly yours,

Rebecca S. Walkley
